Disclaimer

References herein to this presentation (the "Presentation") shall mean and include this document, any oral presentation accompanying this document provided by Pharnext SA (the "Company") and any further information that may be made available in connection with the subject matter contained herein.

This Presentation has been prepared by the Company and is for information only. This document does not purport to contain comprehensive or complete information about the Company and is qualified in its entirety by the business, financial and other information that the Company is required to publish in accordance with the rules, regulations and practices applicable to companies listed on Euronext Growth TM Paris, including, in particular, the risk factors set out in the Company's document de base registered by the French Financial Markets Authority (Autorité des marchés financiers) on June 2, 2016 under number I.16-0050, and in any other periodic report, which are available free of charge on the websites of the Company (www.pharnext.fr) and the AMF (www.amf-france.org). Information and other data appearing in such publications, and certain figures and numbers appearing in this document have been rounded. Consequently, the total amounts and percentages appearing in tables and elsewhere may not necessarily equal the sum of the individually rounded figures, amounts or percentages.

No representation, warranty or undertaking, express or implied, is made as to the accuracy, completeness or appropriateness of the information and opinions contained in this Presentation, or its use for any purpose, and no reliance should be placed on any information or opinions contained herein. The Company, its subsidiaries, its advisors and representatives accept no responsibility for and shall not, under any circumstance, be held liable for any loss or damage that may arise from the use of this document or the information or opinions contained in it. In particular, this document contains information on the Company's markets and competitive position, and more specifically, on the size of its markets. This information has been drawn from various sources or from the Company's own estimates which may not be accurate and thus no reliance should be placed on such information. Any prospective investors must make their own investigation and assessments and consult with their own advisors concerning any evaluation of the Company and its prospects, and this document, or any part of it, may not form the basis of or be relied on in connection with any investment decision.

The information and opinions contained in this document are provided as of the date of this document only and may be updated, supplemented, revised or amended, and thus such information is subject to change at any time. Neither the Company, nor its advisors, nor any other person is under any obligation to update the information, statements or opinions contained in this document.

All statements in the Presentation other than statements of historical fact are or may be deemed to be forward-looking statements. These forward-looking statements are not guarantees of future performance and involve a number of known and unknown risks and uncertainties. These risks and uncertainties, and other factors, could adversely affect the outcome of the forward looking statements, and actual results could differ materially from those contemplated in the statements. As a result, you are cautioned not to rely on such forward-looking statements. Forward-looking statements speak only as of the date of this document and the Company expressly disclaims any obligation or undertaking to update or re-issue any forward-looking statements contained in this Presentation.

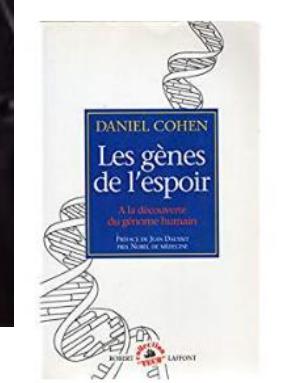

This Presentation does not constitute or form any part of any offer to sell, or the solicitation of an offer to buy or subscribe for, any shares or securities in the Company, in the United States or in any other jurisdiction.

All persons accessing this document are deemed to agree to all the limitations and restrictions set out above.

Un fondateur pionnier

- Eminent généticien, **Daniel Cohen**
- Plus de **30 ans** d'expérience dans l'industrie biotechnologique et pharmaceutique
- Créeateur de la **génétique moderne**
- Fondateur du **CEPH**, Centre d'Etudes du Polymorphisme Humain et du **Généthon**
- Découvreur de la **première carte du Génome Humain**
- Plus de **150 publications internationales**

MONOTHERAPIE

PLEOTHERAPY™
(Approche de Pharnext)

Plateforme Universelle de R&D : Pleotherapy™

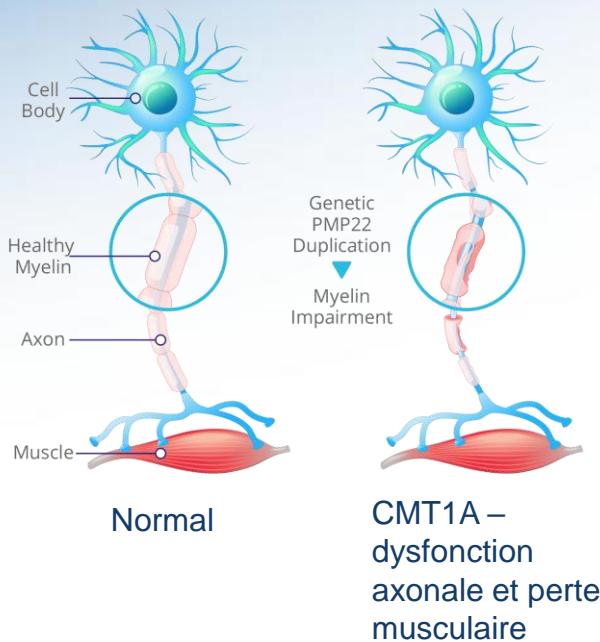

La maladie de Charcot-Marie-Tooth de Type 1A

| | |
|------------------------------|--|
| SYMPTOMES | Neuropathie héréditaire débilitante entraînant un handicap de la marche et des mains |
| DIAGNOSTIQUE | Environ 50% de patients présentent des symptômes avant l'âge de 20 ans |
| POPULATION | ~100 000 personnes avec une CMT1A légère ou modérée aux USA et Europe |
| OPTIONS DE TRAITEMENT | Aucun médicament approuvé, seulement des soins de soutien |
| BARRIERES A L'ENTREE | Brevets jusqu'en 2030. Statut de médicament orphelin accordé aux USA et en Europe |

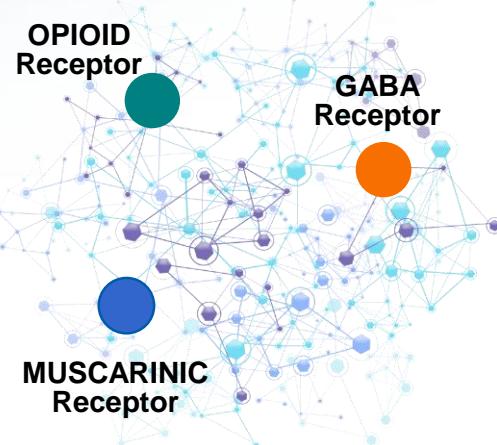

Conception et mécanisme du PXT3003

La maladie CMT1A en bref

Analyse du réseau

Design du PXT3003

Indication actuelle

Dépendance Opioid/ Alcohol

Spasticité

Constipation

Réduction de dose

Récepteur Opioid

Récepteur GABA

Récepteur Muscarinic

1.4mg

50mg

12mg

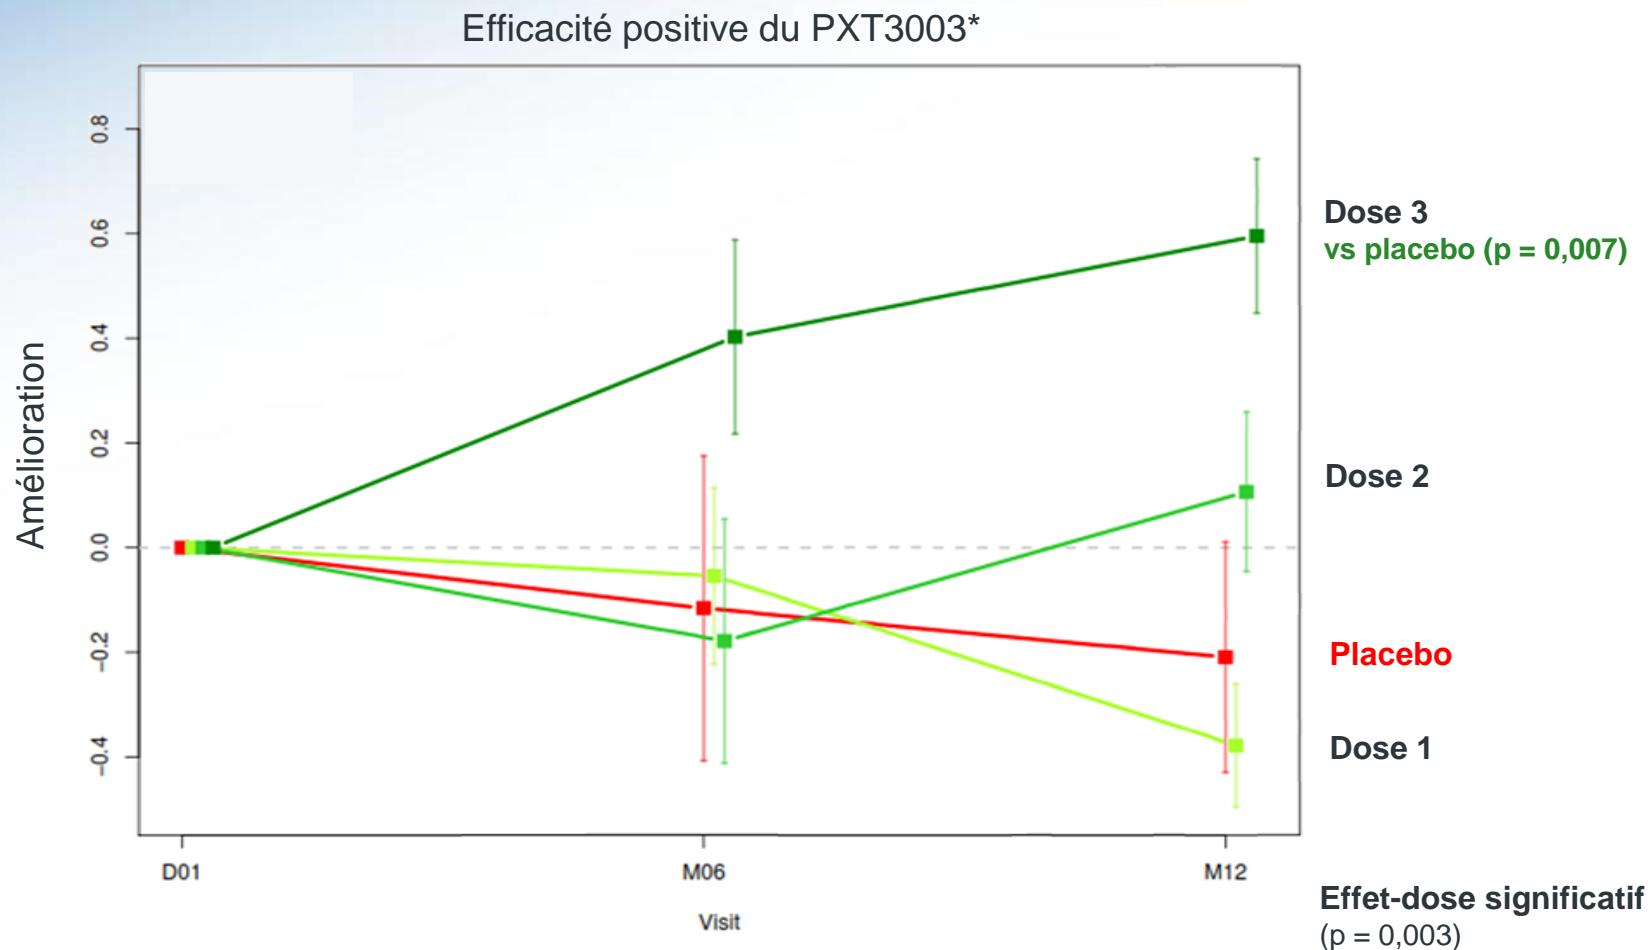

15g

420mg

Amélioration de :

- Myéline
- Axone
- Muscle
- Inflammation

Résultats positifs de l'essai de Phase 2 de PXT3003 dans la CMT1A

*Toutes les mesures cliniques objectives et d'électrophysiologie agrégées en z-score.

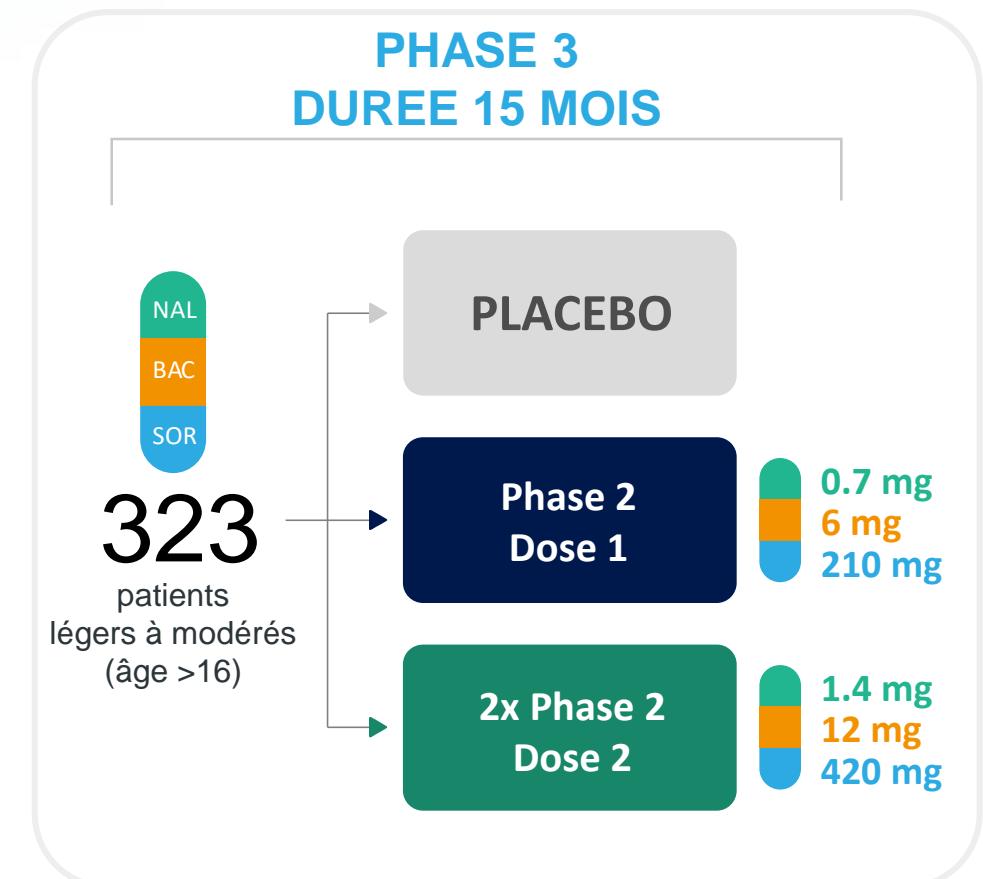

Essai de Phase 3 dans la CMT1A

- **Critères d'évaluation définis avec les FDA & EMA**

- Critère principal : ONLS
- Critères secondaires : Cliniques moteurs et sensoriels

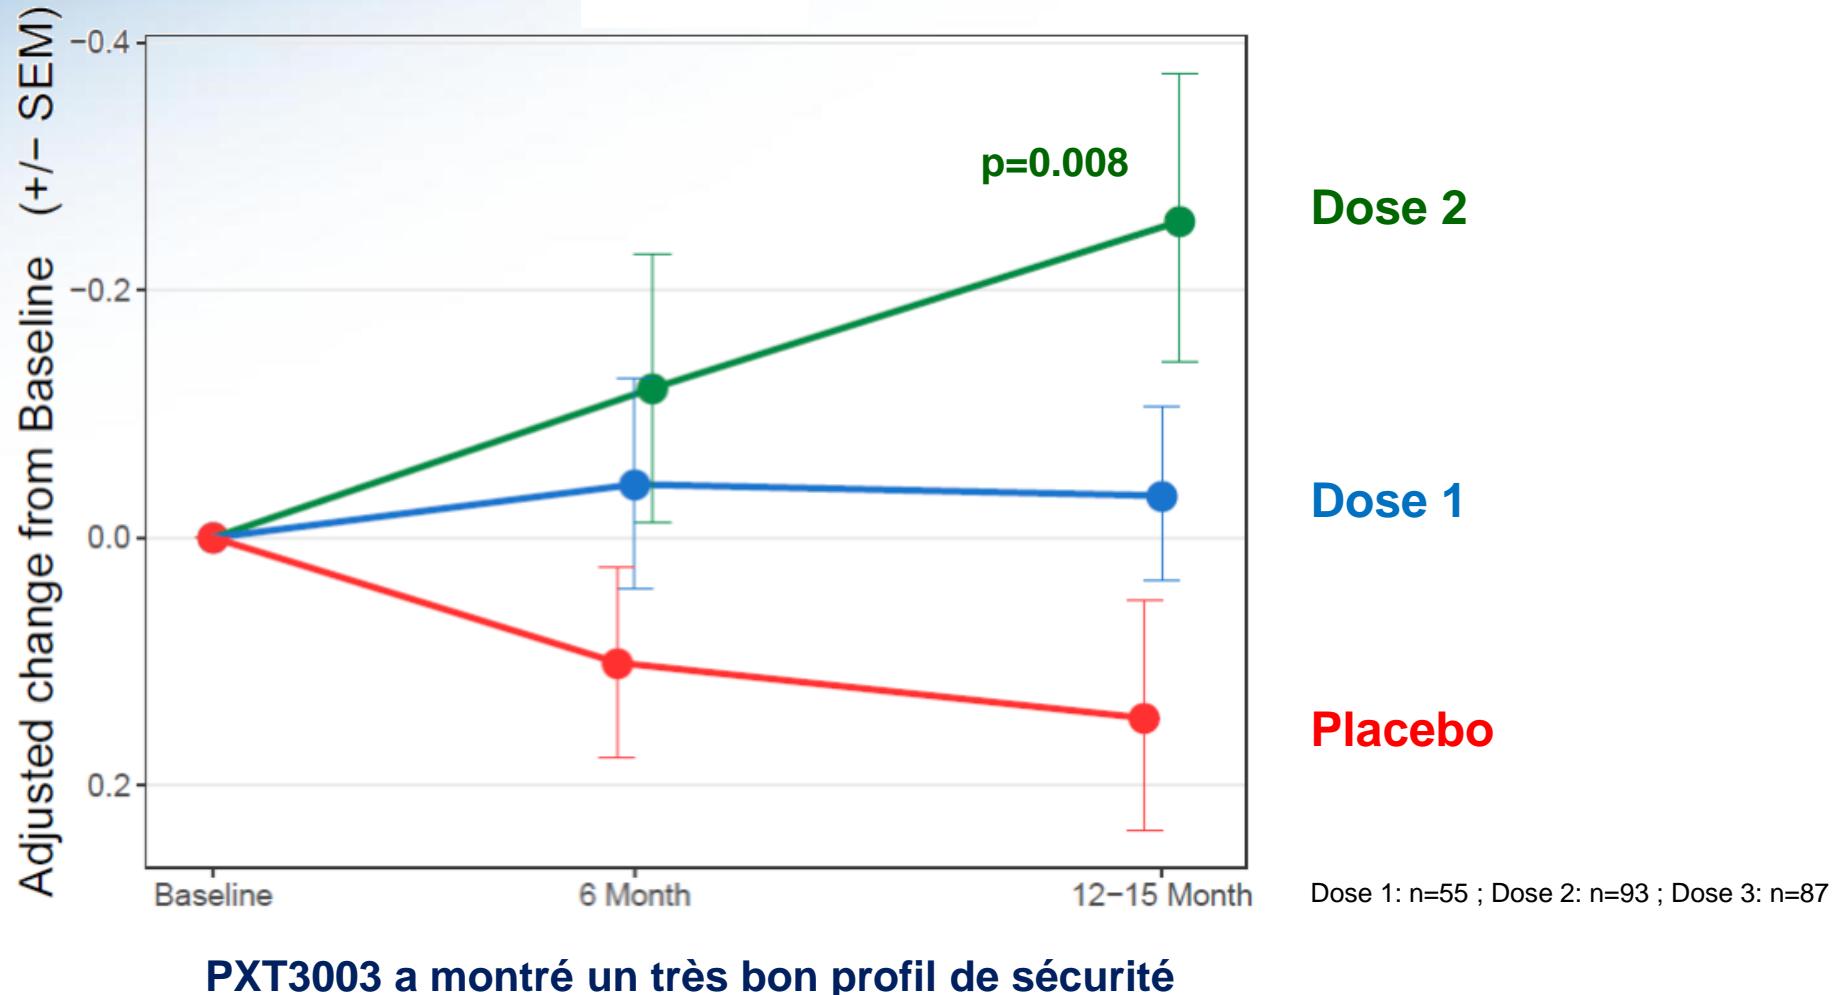

- **Protocole de l'étude PLEO-CMT**

- Pivot, randomisé, 15 mois, double aveugle, contrôlée vs placebo
- 30 centres au U.S., EU et Canada
- Formulation: solution liquide 2 fois par jour

ONLS : Overall Neuropathy Limitation Scale

Essai de Phase 3 : PXT3003 améliore la maladie

Prochaines étapes

Q1 2019 : Réunion avec la FDA

2H 2019 : Initiation de l'étude pédiatrique de Phase 3 du PXT3003 dans la CMT1A

2H 2019 : Résultats de l'étude d'extension (PLEO-CMT-FU) sur la tolérance à long terme de PXT3003

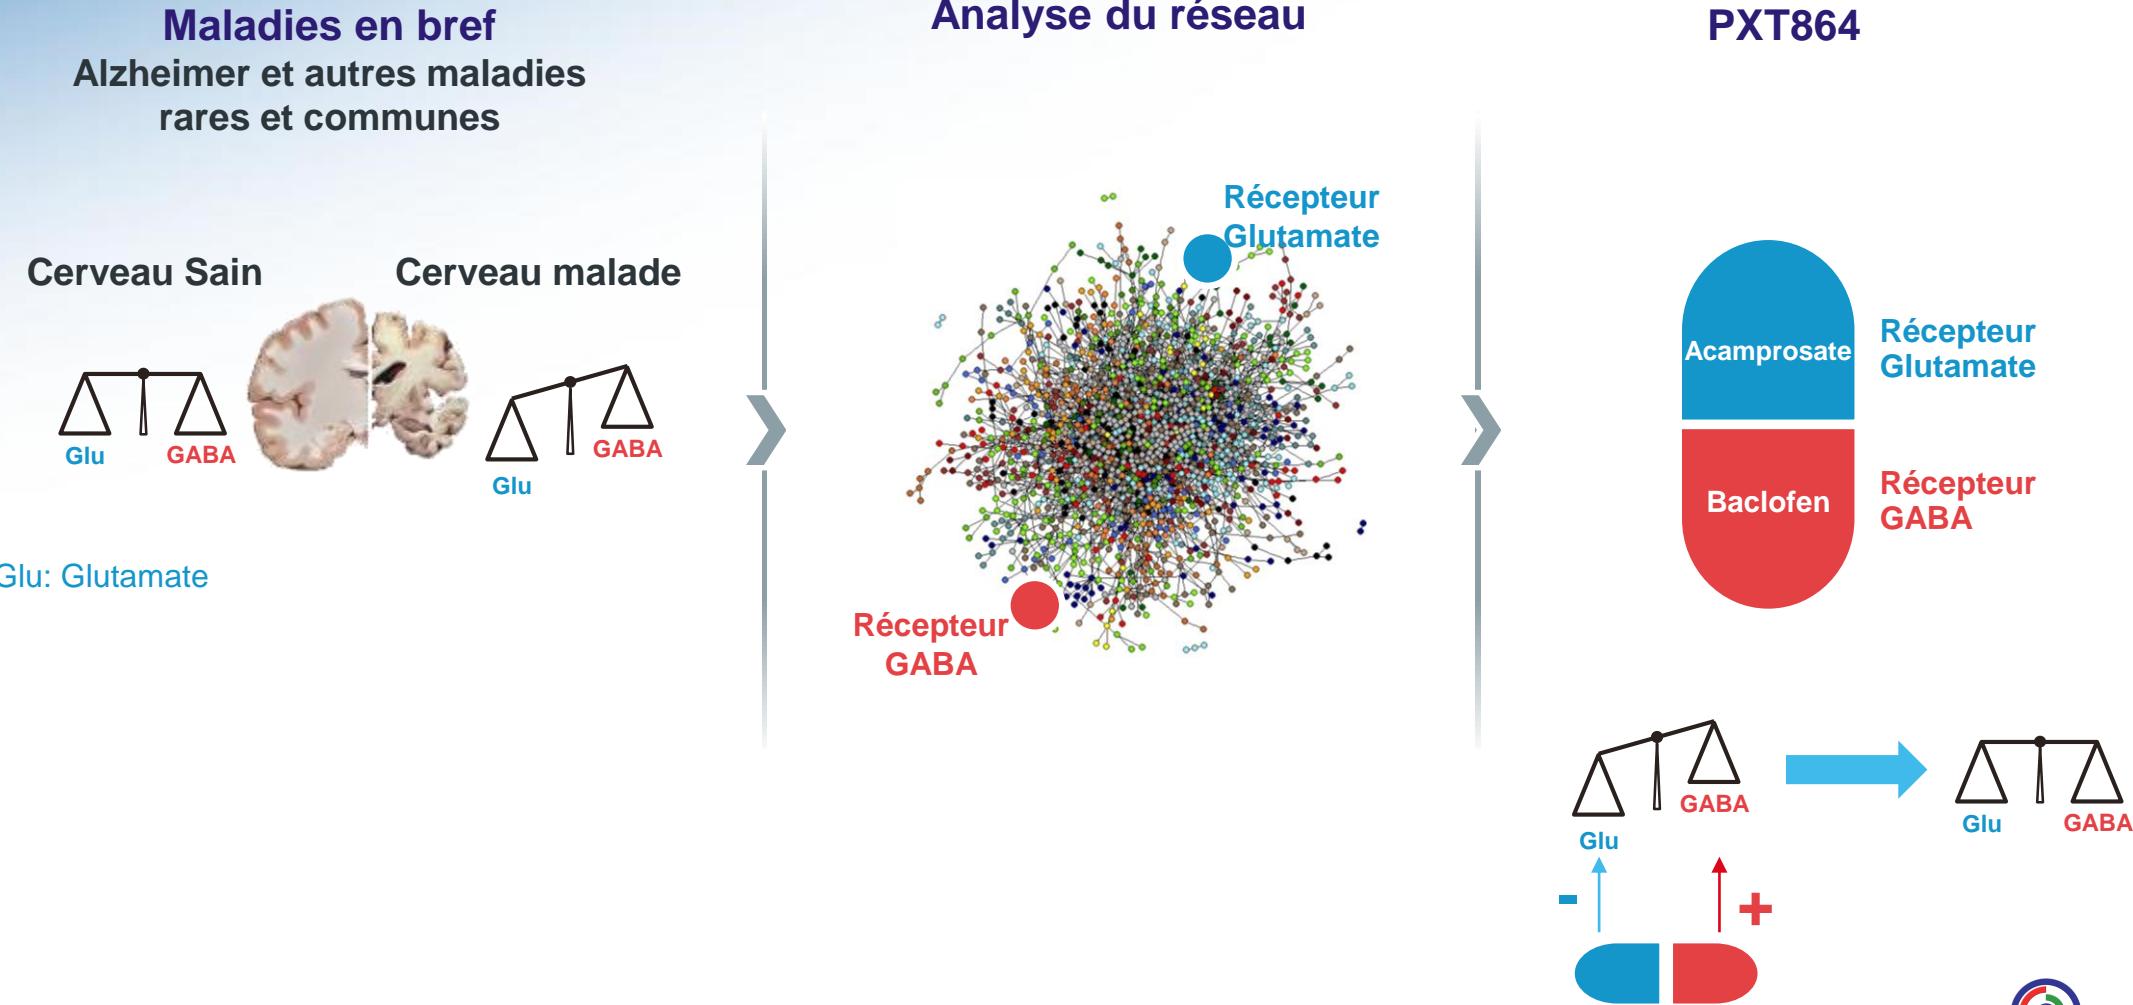

2H 2019 : Soumission des dossiers d'Autorisation de Mise sur le Marché à la FDA et l'EMA

2020 : Lancement commercial

PXT864

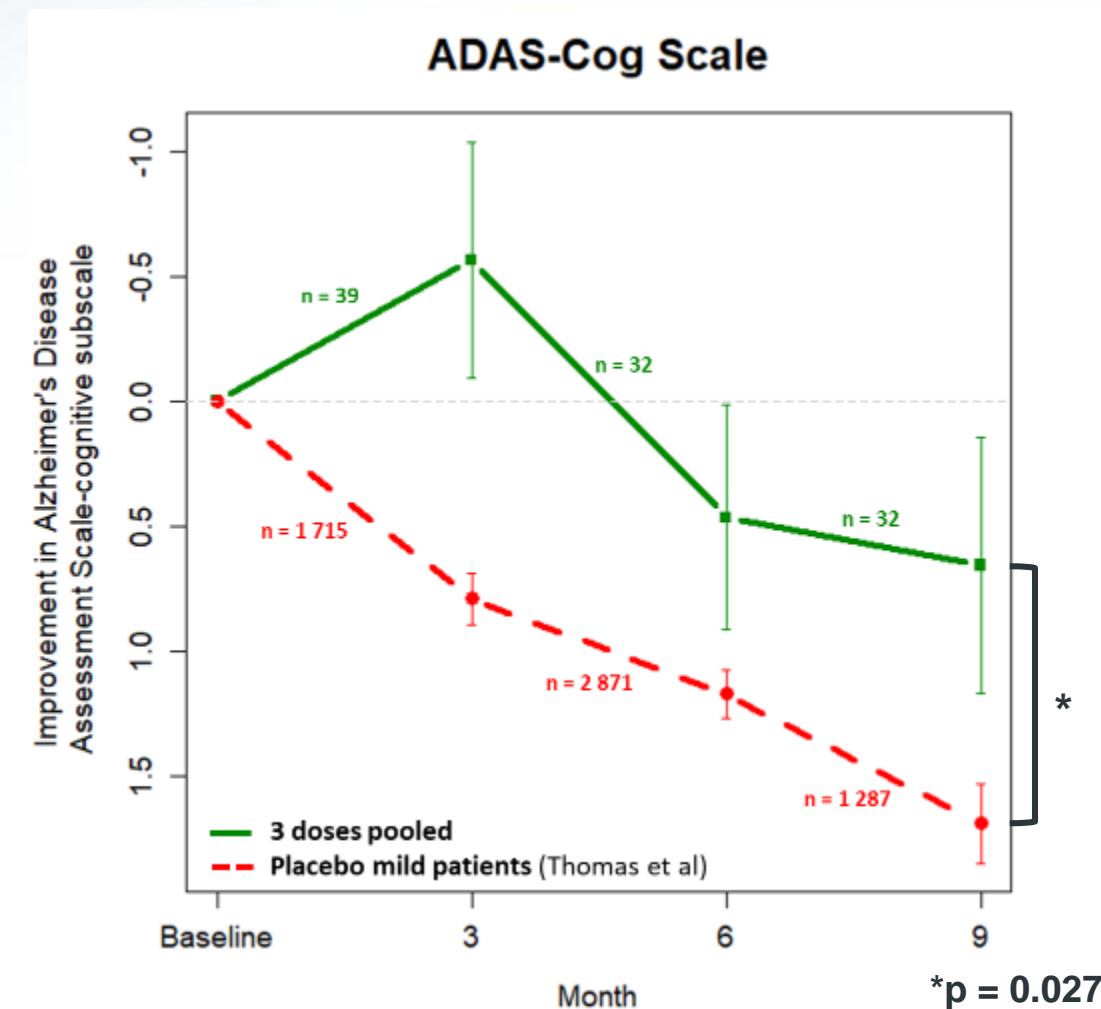

Nouveau mécanisme d'action : Restaure le déséquilibre chimique dans le cerveau

Essai de Phase 2A de PXT864 dans Alzheimer : Amélioration et stabilisation

- Durée totale: 9 mois
- 45 Patients Alzheimer léger
- 12 critères cliniques d'efficacité
- 3 doses testées:
 - Baclofen: 12 – 30 mg (1/10)
 - Acamprosate: 1 – 40 mg (1/50)

Abréviations : ADAS-Cog, Alzheimer's Disease Assessment Scale-cognitive.

PIPELINE

Pipeline et Échéances Attendus

| Produit | Indication | Préclinique | Phase 1 | Phase 2a | Phase 2b | Phase 3 | Jalons attendus |
|---------|------------------------|-------------|---------|----------|----------|---------|---|
| PXT3003 | CMT1A Adultes | | | | | | Soumission NDA & AMM S2 2019 |
| | CMT1A Pédiatrique | | | | | | Lancement Phase 3 S2 2019 |
| PXT864 | Maladie d'Alzheimer | | | | | | Initiation Phase 2b attendue en 2019 |
| | Maladie de Charcot | | | | | | Initiation Phase 2a attendue en 2019 |

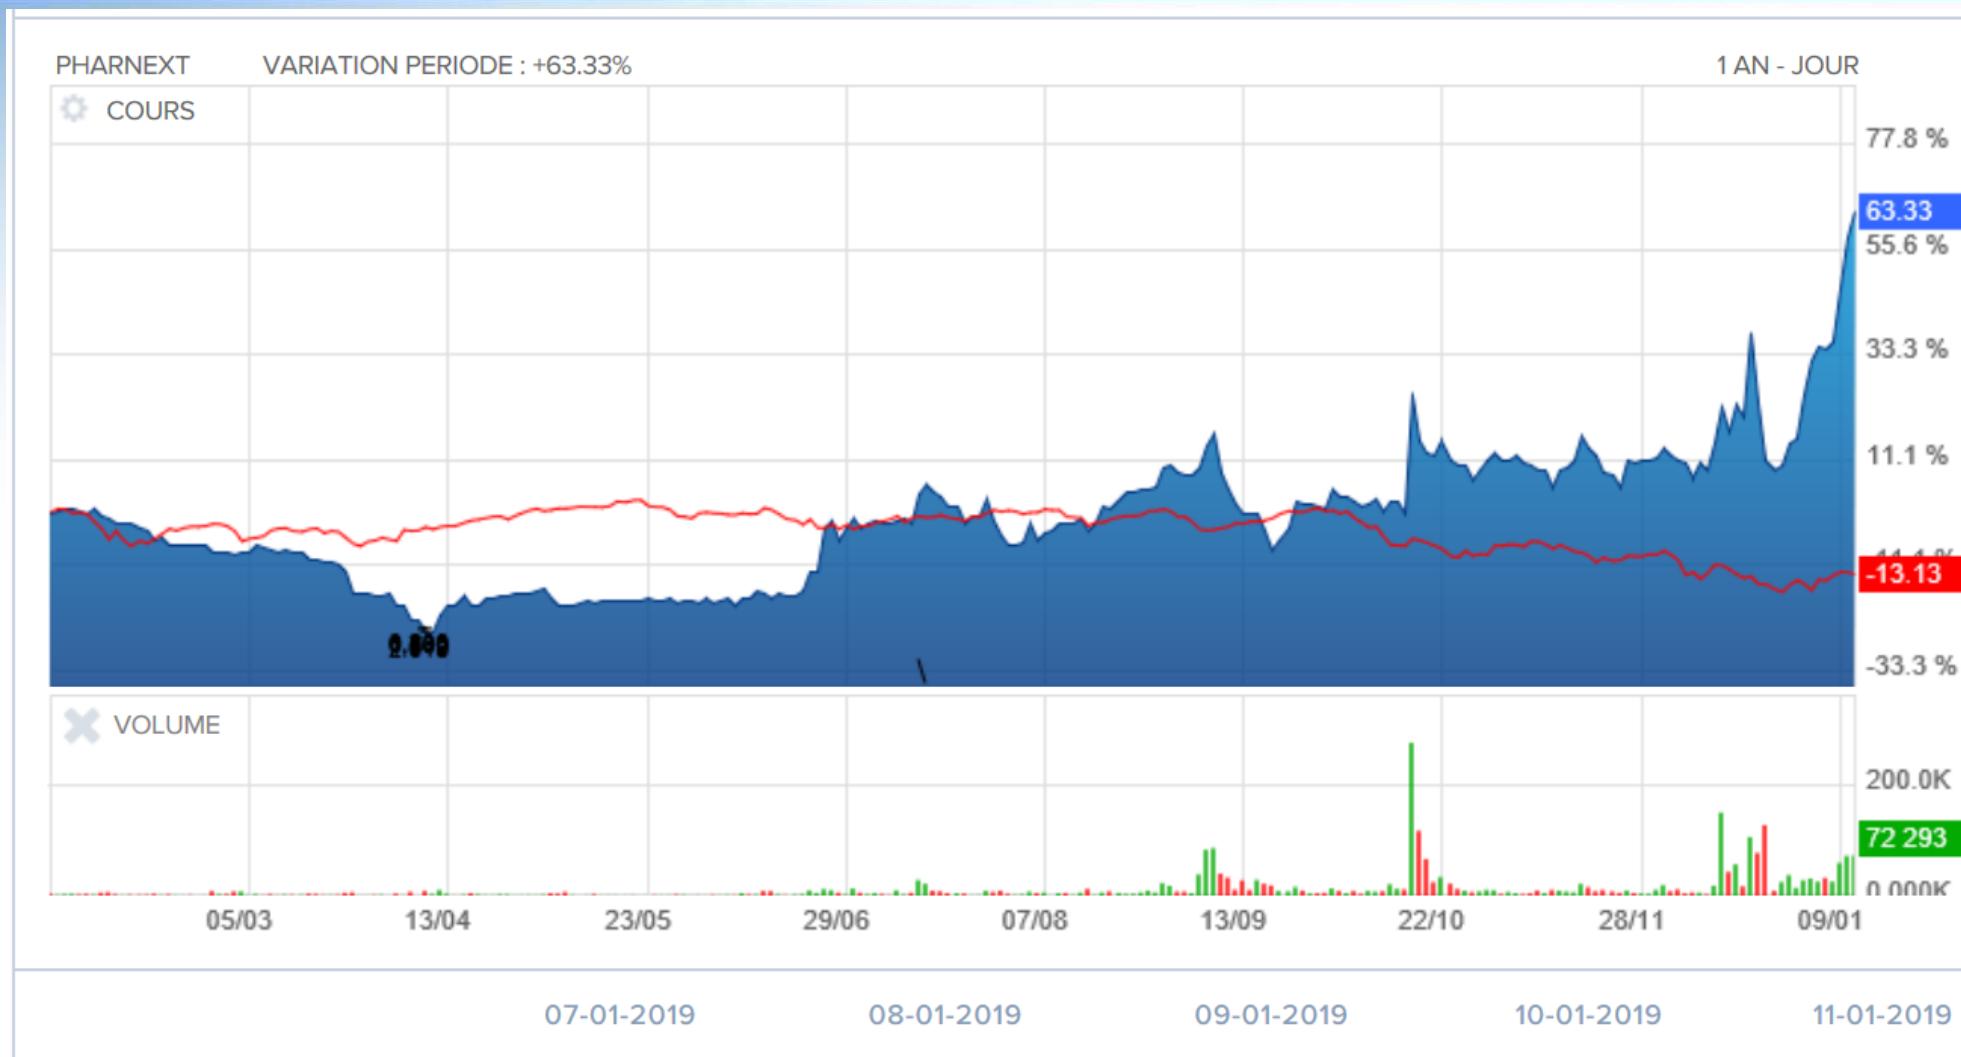

FINANCE

Résultats au Premier semestre 2018

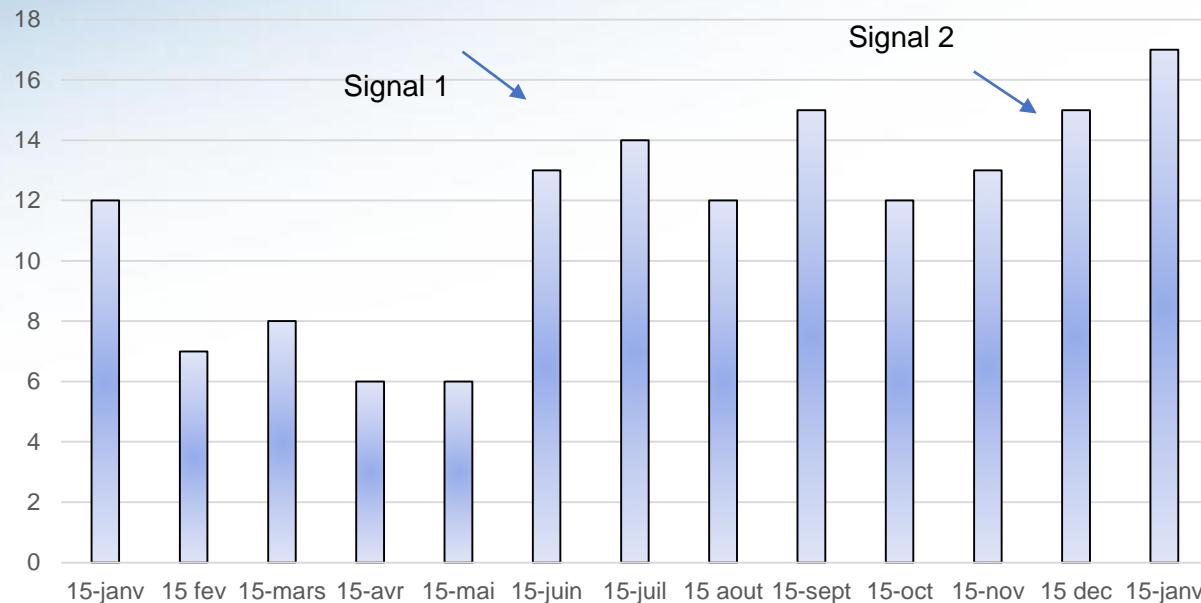

| Synthèse d'information financière (IFRS) | | |
|---|------------|------------|
| En €K | 30/06/2018 | 30/06/2017 |
| Résultat opérationnel | 2,430 | |
| Autres revenus | 2,376 | 1,216 |
| Charges de Recherche et Développement | (8,925) | (7,610) |
| Charges Administratives | (3,289) | (2,936) |
| Résultat opérationnel | (7,407) | (9,331) |
| Résultat financier | (860) | (767) |
